The Texas Department Of Health (TDH) Rule 229.172 (J) States: "... State-Issued Food Protection Management Training Certificates shall be recognized as the **ONLY** valid proof of successful completion of a State (TDH) Accredited Food Protection Management Training Program." Managers trained in any State-Accredited Program, from August 26, 1991 to the present, should possess a state-issued wallet size certificate. The City certification can be valid for up to three years, based on the expiration date of the TDH certificate.

PLEASE CHECK ONE OF THE FOLLOWING:

_____ **I have completed a State Of Texas (TDH) accredited 15 hour Food Protection Management Program, pursuant to the Texas Health and Safety Code, Chapter 438, Subchapter D.** My TDH issued certificate is submitted with this application for verification and copying by the Carrollton Environmental Health Department.

_____ **I have completed a State of Texas (TDH) accredited 7 Hour Recertification Course.** (The prerequisite is the TDH accredited 15 hour Food Protection Management Program.) My TDH issued certificate is submitted with this application for verification and copying by the Carrollton Environmental Health Department.

I understand that after this application has been submitted to the City, the application fee ($15.00) will not be refunded. I understand certificates must be prominently displayed in public view, and that I must work at the establishment on a regularly scheduled basis to display my certificate.
