**BUILDING
INSPECTION
INFORMATION
SYSTEM**

selectrontechnologies.com

In an effort to streamline our operations and improve customer service, Development Services' Building Inspection division has implemented an Interactive Voice Response (IVR) system.

HOW IT WORKS

To use the IVR System dial:

972-466-3370

and follow the simple instructions. It is available 24 hours a day, 7 days a week, 365 days a year.

WHAT YOU WILL NEED

1. A touch-tone telephone
2. A site-specific permit number & phone system number
3. Inspection code (see the panels to the right for a complete list)

You will be prompted through the entire process. Press [*] at any time for more information on how to use the system.

To return to the previous menu at any time, press the [#] key.

CHOOSE YOUR OPTION

When you call the Interactive Voice Response System, you will hear the main menu choices:

- Press [1] Schedule an Inspection
- Press [2] Cancel/Reschedule an Inspection
- Press [3] Obtain Inspection Results
- Press [4] Directions to the Office and Office Hours
- Press [0] Transfer to Staff
- Press [*] Additional Information
