Please attach a site plan that includes, but not is limited to the following:

- Delineation of site boundaries.
- Location of all existing or proposed structures; improvements such as streets, alleys and easements.
- A survey of the site depicting the location and caliper of all protected trees to be preserved or mitigated and all unprotected trees to be preserved or removed. The survey shall include protected trees on adjacent property if within 25 feet of the site or within 50 feet of any proposed construction.
- A proposed grading plan if any elevation changes are being designed within 40 feet of a protected tree to be preserved.

By signing below, I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any state or local law regulating construction or the performance of construction. The issuance of any permit neither exempts nor modifies any covenants, deed restrictions, city ordinances and/or state or federal laws, whether herein specified or not.

To have the City mail the permit and plans, please provide a correctly-sized, stamped, self-addressed envelope.
