COMMUNITY INPUT MEETINGS**

On October 1, 2014, the City of Carrollton will receive approximately \$731,079 of Community Development Block Grant (CDBG) funds from the United States Department of Housing and Urban Development (HUD). According to Federal regulations, these funds must be utilized for the principal benefit of persons of low-to-moderate income in Carrollton. In order to receive these funds the city of Carrollton must complete a document every three to five years called the Consolidated Plan.

The purpose of the Consolidated Plan is to identify a jurisdiction's housing and community development needs, priorities, goals and strategies; and to stipulate how funds will be allocated to housing and community development activities.

In an effort to solicit increased community participation and involvement in identifying community development needs, the City of Carrollton will hold three (3) public meetings **to receive your comments on the 2014 – 2019 Consolidated Plan and 2014 Action Plan**. The City Council cordially invites your comments, concerns and/or ideas on the potential uses of these funds.
