

# NOTICE OF 2019 TAX YEAR PROPOSED PROPERTY TAX RATE FOR CITY OF CARROLLTON

A tax rate of \$0.594970 per \$100 valuation has been proposed for adoption by the governing body of the City of Carrollton. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate. The governing body of the City of Carrollton proposes to use revenue attributable to the tax rate increase for the purposes of increased costs due to inflationary factors, capital improvements, and personnel additions including firefighters for a new ambulance, a police officer and others for increased service requests.

PROPOSED TAX RATE	\$0.594970 per \$100
PRECEDING YEAR'S TAX RATE	\$0.594970 per \$100
EFFECTIVE TAX RATE	\$0.563016 per \$100
ROLLBACK TAX RATE	\$0.594970 per \$100

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for the City of Carrollton from the same properties in both the 2018 tax year and the 2019 tax year.

The rollback tax rate is the highest tax rate that the City of Carrollton may adopt before voters are entitled to petition for an election to limit the rate that may be approved to the rollback rate.

## YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS FOLLOWS:

$$\text{property tax amount} = (\text{rate}) \times (\text{taxable value of your property})/100$$
