

Carrollton's Jubilee Tree Program

In 1988, Carrollton celebrated its 75th year of incorporation, and as part of the festivities, the city initiated the Jubilee Tree Program. Trees were purchased with donations from Carrollton businesses and residents, then planted in front of City Hall and along Josey Lane in honor of the 75th anniversary celebration. Due to the success of the project, the city has decided to make the Jubilee Tree Program a continuous effort.

A Gift For The Future

By donating a tree today, you have the chance to help beautifully landscape the city for years to come. Even though Carrollton's 75th anniversary celebration is over, you can help prepare the city for a beautiful 100th anniversary in the year 2013. In a quarter of a century, the trees that are planted this year will have grown to magnificent heights, enhancing the city with their beauty.

A Gift of Life

When you donate a tree, your name will be inscribed on a lovely plaque and displayed in city hall. If you would like to dedicate the tree to a friend or relative, their name will appear on the plaque with yours.
