JOB TITLE: Traffic Operations Supervisor
 DEPARTMENT/DIVISION: Public Works
 REPORTS TO: Public Works Manager

SUMMARY: Responsible for performing supervisory responsibilities for field personnel responsible for installing, maintaining, and modifying traffic control signs, pavement markings, street lights, and traffic control signals. Coordinates contractor projects and maintains project reports and databases as well as providing problem resolution. Work requires limited supervision and the use of independent judgment and discretion.

ESSENTIAL JOB FUNCTIONS:

- Supervises lower level field traffic control staff to include: prioritizing and assigning work; conducting performance evaluations; ensuring staff are trained; ensuring that employees follow policies and procedures, and maintains a healthy and safe working environment; and, making hiring, termination, and disciplinary recommendations.
- Supervises the day-to-day operations of field traffic control activities, which includes: planning, developing, coordinating, administering, enforcing, and evaluating projects, processes, procedures, systems, and standards; developing and coordinating work plans; and ensuring compliance with applicable Federal, State, and Local laws, regulations, codes, and/or standards.
- Manages projects related to traffic control operations, which includes: inspecting project plans prior to, during, and upon completion for compliance with applicable quality guidelines, specifications, and plans; preparing and adjusting project timelines; scheduling work; coordinating activities with other internal departments and external contractors; approving payments; and/or, performing other related activities.
- Prepares and maintains a variety of records, files, reports, work orders, and/or other related information related to operational activities for the division.
- Investigates and resolves complaints and/or issues received from internal and external customers.
- Monitors and maintains material and supply inventory to ensure efficient division operations. Procures materials and supplies.
- Supervises and monitors the work of external contractors performing work for the City, which includes inspecting work to ensure compliance with applicable specifications and quality standards.
- Responds to emergency and on-call situations.
- Performs other duties as assigned.

SUPERVISORY/BUDGET RESPONSIBILITIES:

- Supervisory responsibility over signs and markings and signal crews.
