**Work as authorized under the approved permit request shall begin within sixty (60) calendar days from the approved date, or the application for permit must be resubmitted. To schedule inspection, call 972-466-3370.**

By signing below, I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any state or local law regulating construction or the performance of construction. The issuance of any permit neither exempts nor modifies any covenants, deed restrictions, city ordinances and/or state or federal laws, whether herein specified or not.

To have the City mail the permit and plans, please provide a correctly-sized, stamped, self-addressed envelope.  
**Additional checklist information is on reverse side of application**
