

**ADVERTISEMENT FOR BIDS**  
**HEBRON PARKWAY 12" WATER LINE REHABILITATION**

Sealed proposals, addressed to the City of Carrollton, will be received at the office of the Director of Engineering, City Hall, Engineering Department, Conference Room 1W2, 1945 E. Jackson Road, Carrollton, Texas 75006, until **10:00 a.m., on April 26, 2018** for Hebron Parkway 12" Water Line Rehabilitation. The project consists of either sliplining an existing 24" D.I. line with a 12" fusible PVC pipe or open cutting a new 12" line in Hebron Parkway between Old Denton Road and Prairie Drive. The open cut replacement option includes 6,141 LF of 12" PVC water line and 5,600 SY of pavement and appurtenances. The sliplining option includes lining 6,141 LF of 24" ductile iron water line and with appurtenances and 40 SY of pavement replacement. The Contractor shall furnish and install all materials required and furnish all necessary labor and equipment necessary for a complete and finished project ready for use and operation by the City.

Instructions to Bidders, Proposal Forms, Specifications, Plans and Contract Documents may be examined without charge at the office of the Director of Engineering, City Hall, 1945 E. Jackson Road, Carrollton, Texas 75006.

Sets of Plans and the Project Manual are available for a \$30.00 non-refundable fee (per set) from the office of the Director of Engineering. The Contract Documents and Plans are also available for download by written request (email) from the office of the Director of Engineering via [carmella.flemming@cityofcarrollton.com](mailto:carmella.flemming@cityofcarrollton.com).

A pre-bid meeting will be held at the office of the Director of Engineering, City Hall, Conference Room 1W2, 1945 E. Jackson Road, Carrollton, Texas, at **10:00 a.m. on April 19, 2018**.
