Whenever the Contractor encounters any difficulty which is delaying or threatens to delay timely performance (including actual or potential labor disputes), the Contractor shall immediately give notice thereof in writing to the Purchasing Manager, stating all relevant information with respect thereto. Such notice shall not in any way constitute a basis for an extension of the delivery or performance schedule or be construed as a waiver by the City of any rights or remedies to which it is entitled by law or pursuant to provisions herein. All quotes shall specify terms and conditions of payment, which will be considered as part of, but not control, the award of quote. City review, inspection, and processing procedures ordinarily require thirty (30) days after receipt of invoice, materials or service. Quotes which call for payment before 30 days from receipt of invoice, or cash discounts given on such payment, will be considered only if in the opinion of the Purchasing Manager the review, inspection and processing procedures can be completed as to the specific purchases within the specified time.

It is the intention of the City to make payment on completed orders within thirty (30) days of receiving invoicing unless unusual circumstances arise. Invoices shall be fully documented as to labor, materials and equipment provided. No partial payment will be made.

Payment will not be made by the City until the vendor has furnished proper invoice, materials, or services, and otherwise complied with City Purchasing procedures, unless this provision is waived by the City.

The City will not enter into any contract where the cost is provisional upon such clauses as are known as “escalator” or “cost-plus” clauses.

1.19  REJECTION OF QUOTES
The City reserves the right to reject any or all quotes or to waive technicalities at its option when in the best interests of said City.

However, the City reserves the right to waive any irregularities and to make the award in the best interests of the City.

Quotes may be rejected, among other reasons, for any of the following specific reasons:

- Quotes received after the time limit for receiving quotes as stated in the advertisement.
- Quotes containing any irregularities.
- Unbalanced value of any items.

Proposers may be disqualified and their quotes not considered, among other reasons, for any of the following specific reasons:

- Reason for believing collusion exists among the bidders.
- Reasonable grounds for believing that any bidder is interested in more than one proposal for the work contemplated.
- The bidder being interested in any litigation against the City.
- The bidder being in arrears on any existing contract or having defaulted on a previous contract.
- Lack of competency as revealed by a financial statement, experience and equipment, questionnaires, etc.
- Uncompleted work, which in the judgment of the City will prevent or hinder the prompt completion of additional work if awarded.

1.20  REQUEST FOR NON-CONSIDERATION
Quotes deposited with the City cannot be withdrawn prior to the time set for opening quotes. Request for non-consideration of quotes must be made in writing to the Purchasing Manager and received by the City prior to the time set for opening quotes. After other quotes are opened and publicly read, the proposal for which non-consideration is properly requested may be returned unopened. The quote may not be withdrawn after the quotes have been opened, and the bidder, in submitting the same, warrants and guarantees that this quote has been carefully reviewed and checked and that it is in all things true and accurate and free of mistakes and that such quote will not and cannot be withdrawn because of any mistake committed by the Bidder.
1.21 SALES TAX

The total for each quote submitted must include any applicable taxes. Although the City is exempt from most City, State, or Federal taxes, this is not true in all cases. It is suggested that taxes, if any, be separately identified, itemized, and stated on each quote. The City cannot determine for the bidder whether or not the quote is taxable to the City. The bidder through the bidder’s attorney or tax consultant must make such determination. Bills submitted for taxes after the quotes are awarded will not be honored.
PART II

INSTRUCTION TO BIDDERS
Background:

The City of Carrollton, Texas has requested a proposal for the preparation of written promotional examinations for the Fire Department. The City of Carrollton is subject to the provisions of Chapter 143 of the Texas Local Government Code, Municipal Civil Service. Chapter 143 provides for the administration and grading of promotional examinations as well as providing for an appeals process to resolve disputes over the accuracy and validity of specific questions. The language of Chapter 143 mandates the use of multiple-choice questions, with the average test being comprised of 100 questions.

Scope of Work and Process:

Each examination will be written and customized to meet the City’s exacting specifications. The City may select as many or as few source materials for the examination as they may so desire. Source materials may include, but shall not be limited to, fire service publications; management and leadership texts; and the City/Department’s rules, regulations, standard operating procedures and civil service rules. The City may select and/or omit specific chapters or sections from source materials that are not applicable to the City or the Fire Department’s mode of operation.

Each section of the examination is prefaced by a set of written instructions, which identifies the source of the questions and advises the test taker to select answer choices based solely upon the text contained in that source (illustrations, charts, graphs & diagrams are not to be used as sources for questions). On the answer key, each question will be followed by a citation of the source of the question. The test taker copy of the exam is prefaced by the set of written instructions identifying the source however they are not followed by a citation of the source question.

Example:

Test

| Instructions | Questions 1 through 15 were taken from Grant, N. K. and Hoover, D. H. (1994). Fire Service Administration. Quincy, MA: National Fire Protection Association. Your answers to questions 1 through 15 should be based solely upon the text contained in this source. |
Example:

Answer Key

C 1. Which of the following answer choices is associated with a leader rather than a manager?

A. They accomplish and conduct
B. The answer how
C. They are concerned with effectiveness
D. They are concerned with efficiency
E. They have responsibility

Source: Chapter Two, p 17 (this is only available on the answer key copy, it is left off of the test taker copy)

The City will review a draft of each examination before the preparation of the final copy and may make corrections and suggest changes in the content of the examination. It is suggested that the test writer prepare a few extra questions for each source material to use as a replacement if any questions appear to pose a risk for appeal.

Proposal:

If selected, the consultant proposes to furnish the following items to the City of Carrollton:

- One (1) electronic copy of each promotional examination. Unless directed otherwise, each examination shall consist of 100 multiple-choice questions to be taken from the list of source materials chosen by the City.

- One (1) electronic copy of the answer key for each examination.

- The tests must be prepared using ®Word.

Upon receipt of payment, the examinations will become the property of the City of Carrollton and may be reproduced and used as often as the City so desires. The only exception is that the City may not offer the examination for resale.

In the event that the validity of a question is appealed, the Consultant will provide a written response to the Civil Service Commission defending the validity of the question within 3 (three) business days of receipt of the appeal information.
**Expectations of Test Writer:**

The City expects that a test writer will provide an advance review of the exam to the designated staff via email (8 weeks prior to the exam) beginning with the item review. The test writer will take City staff/SME feedback and incorporate changes as necessary. The test writer will send (via email) a final copy of the test and an answer key (with the book name, author, page number(s) and the correct answer all specified) at least 3 business days prior to the scheduled written exam. The test writer will prepare a written response to appeals on our form within 3 business days of receipt. The test writer will remove appealed questions (regardless of outcome) from future promotional exams. The test writer will prepare 100% new questions for every exam. It is typical that appeals will be received for every test written but rarely are more than 5 questions appealed. The advance review and revision of questions based on SME feedback has proven to help drive down the number of appeals received.

**Expectations of the City:**

If selected to prepare one or more written promotional examinations, the consultant will need to obtain the following items from the City:

- A tentative testing schedule for the 2 year period with the first exam of the two year period typically occurring in APRIL.

- A complete list of source materials for each examination, to include the author, title, edition, and publisher of each source as well as the chapters or sections to be used and/or omitted.

- The consultant maintains an extensive library of source material and will furnish copies of items that are commercially available. The City will, however, be required to furnish copies of rules, regulations, SOPs, map books, and other items that are unique to the City/Department.

- The City will be required to specify the number of questions to be taken from each source. **Again 100% new questions each year.**

- The City may furnish a copy of the job description, if available, for each rank tested.
Fees:

Please insert your calculation of fees associated with the test writing. Also, please insert any calculation of any additional services below. If you are proposing one additional 2-year period, under the same terms and conditions, please provide a cost projection for the second, 2-year period.

Example 1: Suppose that the City originally purchased four examinations at $13.50 per question, and then wished to revise the examination for Driver/Operator by substituting a new source and replacing 25% of the original questions. The price of the revised examination would be $375 ($15.00 x 25 = $375.00).

Example 2: The City originally purchased four 100-question examinations for four different ranks at $400 per test. Appeal responses are billed at $100/question appealed regardless of the number of appellants for the same question. Again 100% new questions each year.

Client List:

The consultant has prepared entrance and/or promotional examinations for the following Texas fire departments: Please specify in your response.

Disclaimer:

The Consultant does not have any interest, relationship, or financial dealings with any person, firm, or government agency located in Carrollton, Texas. The Consultant agrees to fully comply with all applicable local, state, and federal laws related to the conduct of the scope of this work.
1. Length of this price agreement shall be for one 2-year contract with the option to renewal for an additional (1) one 2 year renewal period, provided both parties are in agreement.

2. The city of Carrollton reserves the right to cancel this agreement upon thirty- (30) days written notice with good cause.

3. Vendor must submit proof of insurance (by means of the attached insurance requirement affidavit) which meets or exceeds the limits stated within the quote documents.

5. Three references where the vendor has supplied like services to other governments or businesses. Please list at least 2 references preferably municipalities that you are currently doing business with. This information **IS a requirement to be considered for award of this quote.** Please provide this information on the sheet titled **Reference.** References should include the following:
   A. Company name
   B. Street address
   C. City, State, and Zip Code
   D. Contact person
   E. Telephone Number
   F. Product(s) and/or services provided to that client

CONFLICT OF INTEREST QUESTIONNAIRE

Chapter 176 of the Texas Local Government Code requires any Vendor or person considering doing business with a local government entity to disclose in the Questionnaire Form CIQ, the Vendor or person’s affiliation or business relationship that might cause a conflict of interest with a local government entity. By law, this questionnaire must be filed with the City Secretary of the City of Carrollton not less than the seventh business day after the person becomes aware of facts that require the statement to be filed.

The conflict of Interest Questionnaire must be completed and returned with your quote if a Vendor or its agent has a conflict pursuant to Chapter 176.

It is the responsibility of every Vendor filling out and returning this quote to determine if there is a conflict meeting the parameters of the state law. If so, the City of Carrollton requires that this Questionnaire be completed and turned in with your quote. If there is no conflict pursuant to the provisions of Chapter 176 then you are not required to submit the Questionnaire with your quote. In addition to the foregoing, after the submission of a quote a Vendor must file a questionnaire if the Vendor becomes aware of facts or an event that would constitute a conflict pursuant to state law, or if the facts or event would make a statement in a previously filed questionnaire incomplete or inaccurate.

See Section 176.006, Local Government Code which reads, “A person commits an offense if the person violated Section 176.006, Local Government Code. An offense under this section is:
(1) A Class C misdemeanor if the contract amount is less than $1 million or if there is no contract amount for the contract;
(2) A Class B misdemeanor if the contract amount is at least $1 million but less than $5 million; or
(3) A Class A misdemeanor if the contract amount is at least $5 million.

The governing body of a local governmental entity may, at its discretion, declare a contract void if the governing body determines that a Vendor failed to file a conflict of interest questionnaire required by Section 176.006.
