## CERTIFICATE OF ACCEPTANCE

To: Developer/Project Owner

Attn:

Project Name

Project Address

Permit Number

This project has been completed in general compliance with the plan, specification, codes, and ordinances of the city of Carrollton, and a Certificate of Occupancy was issued on \_\_\_\_\_.

A performance bond was issued on \_\_\_\_\_ for the maintenance and repair of all defects due to faulty material and workmanship of utilities and pavement. This performance bond will expire on \_\_\_\_\_.

A reinspection of public infrastructure for the project was performed on \_\_\_\_\_. The infrastructure has performed through the two-year maintenance period and conforms with the city codes and ordinances. This Certificate of Acceptance hereby releases the Surety Company and developer of any maintenance responsibility for the utilities and pavement in the right-of-way on this project.
