

SERVING SEVEN CITIES · INCREASING REGIONAL MOBILITY

## COMMUNITY NOTIFICATION SILVER LINE CONSTRUCTION-CARROLLTON

Archer Western Herzog (AWH), the design-build contractor for the DART Silver Line Regional Rail Project, will start construction activities throughout the Silver Line corridor in January 2021. As specific activities are scheduled along the corridor, additional notifications will be issued to the communities affected.

Construction activity will be conducted within the DART right of way. **There will be no access to private property, unless coordinated with the property owner(s) in advance.**

Construction activities will include the following:

- Beam delivery
- Bridge construction (Josey Ln.)
- Site & land clearing
- Concrete
- Demolition
- Drilling
- Electrical
- Excavation
- Lane closures (daily, temporary & long-term)
- Traffic maintenance control devices
- Utilities (installation & relocation)
- Signals (rail & traffic)
- Street signage
- Track work removal, relocation & installation
- Double track (side-by-side rail construction)
- Trucking (hauling on-site & off-site)

Construction will take place during the hours of 7 a.m.-6 p.m. weekdays (weekend hours will be approved by the City Director within 24 hours of required work). This activity will involve heavy construction equipment, including but not limited to loaders, excavators, service vehicles, pickup trucks, small tools, rail saws, speed swings, construction dumpsters, and flat-bed trucks. Other equipment appropriate to the work required may be seen at the various sites.

A list of equipment with images can be found at:
