JOB TITLE: Community Development Program Specialist
DEPARTMENT/DIVISION: Environmental Services/Community Services
REPORTS TO: Community Services Manager

SUMMARY:
Responsible for specific details of community development, grant programs and related activities to include assisting with implementation of grant projects, tracking expenditures, and preparing related reports. Work requires limited supervision and the use of independent judgment and discretion.

ESSENTIAL JOB FUNCTIONS:
- Supports and evaluates day-to-day operations of an assigned community development program. Ensures compliance with applicable internal and external requirements.
- Participates in the development, evaluation and implementation of program goals, objectives, activities, and program initiatives. Assists in the assessment of consequences and outcomes of program initiatives.
- Supports the ongoing administration, monitoring, and reporting for applicable grant projects and/or programs as required by funding sources and applicable regulations. Meets compliance with requirements. Monitors and manages funds and resolves conflicts between the City and funding entities. Participates in and assists with audits associated with applicable grant programs.
- Serves as a liaison between the City and external agencies for program activities to communicate grant program details.
- Assists in coordinating grant program activities with other internal departments and external agencies.
- Compiles and analyzes data for grant related, legally-mandated reports.
- Compiles and assists in the analysis of financial data related to grant program activities.
- Assists in the design and implementation of marketing and outreach materials to ensure public exposure to program offerings.
- Attends and participates in a variety of meetings; represents the City on Local, State, and National committees, commissions, advocacy groups, and/or other related groups.
- Performs other duties as assigned.
