- Installs and maintains pavement markings.
- Assists in the fabrication of signage.
- Completes daily reports on all field activities, dispatched calls, work orders, daily service requests and provides information for cost analysis reports.
- Performs layout procedures for pavement markings such as thermoplastics, paint or cold plastics; applies thermoplastics to streets using heated adhesives.
- Identifies and reports visibility obstructions that pose traffic hazards.
- Maintains stock levels on trucks such as sign clamps, poles and concrete on weekly basis.
- Constructs and installs traffic barricades on monthly basis.
- Identify visibility obstructions and inform property owners of its existence.
- Measures lanes when preparing sites for markings.
- Sets cone transition lanes when conducting sign/marking work in traffic areas and sets out traffic warning signs at appropriate locations.
- Performs other duties as assigned.

SUPERVISORY/BUDGET RESPONSIBILITIES:

- None.

KNOWLEDGE, SKILLS, AND ABILITIES:

- Knowledge of basic construction principles;
- Skilled in performing basic mathematical calculations;
- Skilled in performing manual labor;
- Skilled in performing basic maintenance and repair activities;
- Skilled in utilizing applicable tools and equipment of the trade;
- Skilled in communicating effectively with a variety of individuals.
MINIMUM QUALIFICATIONS:

- High School Diploma or G.E.D.
- Six months of related maintenance and/or construction experience.
- Requires a valid Texas Driver’s License.
- Work Zone Safety Certification is required within one year.
- IMSA Level I Certification is required within one year.

PREFERENCES:

- None.

WORKING CONDITIONS:

- Frequent climbing, balancing, reaching, sitting, standing, walking, stooping, kneeling, crouching, talking, seeing, hearing, and manual dexterity.
- Occasional lifting and carrying up to 100 pounds.
- Work is typically performed in both standard office and outdoor environments, with potential exposure to adverse weather conditions.
- Work is performed in high and precarious places and near moving mechanical parts.
- Potential exposure to risk of electrical shock, vibration, fumes, and airborne particles.

CONDITIONS OF EMPLOYMENT:

- Must pass pre-employment drug test.
- Must pass criminal history check.
- Must pass motor vehicle records check.
