WELCOME

When Coverage Begins

- ▶ **New Hires:** You must complete the enrollment process within 30 days of your date of hire.
- ▶ If you fail to enroll on time, you will **NOT** have benefits coverage (except for City-paid benefits), unless you have a qualified life event (see below for details).
- ▶ **Open Enrollment:** Changes made during Open Enrollment are effective January 1 - December 31, 2026.

Choose Carefully!

Due to IRS regulations, you cannot change your elections until the next annual Open Enrollment period, unless you have a qualified life event during the year. The following are examples of the most common qualified life events:

- ▶ Marriage or divorce
- ▶ Birth or adoption of a child
- ▶ Child reaching the maximum age limit
- ▶ Your spouse or child moves to the U.S.
- ▶ Death of a spouse or child
- ▶ You or your spouse loses coverage under your spouse's plan
- ▶ Your spouse becomes eligible for health care coverage that meets the Affordable Care Act's minimum value standard under their employer's plan
- ▶ You or your dependent(s) gain access to state coverage under Medicaid, Medicare or CHIP

Making Changes

To make changes to your benefit elections, you must contact Workforce Services within 30 days of the qualified life event with the exception of adoption, birth, death and Medicare/Medicaid/CHIP eligibility, which is 60 days. Be prepared to show documentation of the event such as a marriage license, birth certificate or a divorce decree. If changes are not submitted on time, you must wait until the next Open Enrollment period to make your election changes.

MEDICAL

We are proud to offer you a choice of two medical plans that provide comprehensive medical and prescription drug coverage. To locate an in-network doctor or hospital, call Cigna at 800-244-6224 or use the Find a Doctor search tool on my.cigna.com. Click on Local Plus or Open Access and then Search.

Cigna Local Plus and Open Access Plans

The Cigna Local Plus and Open Access Network plans are similar to an HMO, in that you may only visit physicians and hospitals within the Base Plan Local Plus Network or the Buy Up Plan Open Access Network. Services received outside the network are not covered, except in the case of emergency medical care. You are not required to select a primary care physician (PCP).

Note: The Open Access plan has a larger network, and therefore, higher premiums.

Here's how the plans work:

- ▶ **Annual Deductible:** You must meet the entire annual deductible before the plan starts to pay for non-preventive medical and prescription drug expenses.
- ▶ **Coinsurance:** Once you've met the plan's annual deductible, you are responsible for a percentage of your medical expenses, which is called coinsurance. For example, the plan will pay 90% and you pay 10%.
- ▶ **Out-of-Pocket Maximum:** Once you meet the plan's annual out-of-pocket maximum, the plan will pay 100% of all eligible covered services for the rest of the calendar year.

Personal Health Assessment (PHA)

You and any dependents aged 18 years and older as of January 1, 2026, who are covered under a City medical plan, must complete a PHA. Please refer to the PHA Information Packet for more information.

PHA Deadlines

The PHA deadline is October 31, 2025. New employees who enrolled onto a city medical plan after October 31 are not required to complete the PHA until the next plan year.

The Health Reimbursement Account (HRA)

The City medical plan features an HRA that is administered by WEX. You can use it to pay for qualifying out-of-pocket medical expenses. Here's how the HRA works:

- ▶ At the beginning of the year, the City will deposit \$628 (for single coverage) or \$1,256 (for family coverage) to the account.
- ▶ You may use funds to pay for qualifying medical expenses not covered under the City medical plan, or save them for the future. Qualifying medical expenses include deductibles, coinsurance amounts and prescription copays.
- ▶ Unused funds roll over and accumulate year to year. However, once you leave employment with the City, any unused funds are forfeited. You will have 90 days from your last day of coverage to file claims for expenses incurred during your employment with the City.
- ▶ If you are enrolled in both the HRA and a flexible spending account (FSA), you will use the same debit card for both FSA and HRA account balances. Your FSA funds will be used first before any of your HRA funds. **WEX will send the debit card in the mail approximately two weeks after you enroll.**
- ▶ You can only use HRA funds if you are enrolled in a City medical plan.
- ▶ Log on to benefitslogin.wexhealth.com or the WEX mobile app.

Prescription Drug Benefits

- ▶ You must fill 90-day supplies of maintenance medications through the Cigna 90 Now program (see page 5 for details).
- ▶ You pay a separate prescription drug deductible of \$200 for individual coverage and \$400 for family coverage.
- ▶ Specialty drugs must be filled through Cigna's specialty Rx program.
- ▶ The SaveOnSP program can help lower the cost of specialty prescriptions for conditions such as hepatitis C, inflammatory bowel disease, multiple sclerosis, oncology, psoriasis and rheumatoid arthritis.

FLEXIBLE SPENDING ACCOUNTS (FSAs)

We provide you with an opportunity to participate in up to two different flexible spending accounts (FSAs) administered through WEX. FSAs allow you to set aside a portion of your income, before taxes, to pay for qualified health care and/or dependent care expenses. Because that portion of your income is not taxed, you pay less in federal income and Medicare taxes.

Health Care FSA

For 2025, you may contribute up to \$3,300* to cover qualified health care expenses incurred by you, your spouse and your children up to age 26. Some qualified expenses include:

- ▶ Coinsurance
- ▶ Copayments
- ▶ Deductibles
- ▶ Prescriptions
- ▶ Dental treatment
- ▶ Orthodontia
- ▶ Eye exams/eyeglasses
- ▶ LASIK eye surgery

For a complete list of eligible expenses, visit www.irs.gov/pub/irs-pdf/p502.pdf.

Dependent Care FSA

For 2026, you may contribute up to \$7,500 (or \$3,750 if married and filing taxes separately) to cover eligible dependent care expenses. Some eligible expenses include:

- ▶ Care of a dependent child under the age of 13 by babysitters, nursery schools, pre-school or daycare centers
- ▶ Care of a household member who is physically or mentally incapable of caring for him/herself and qualifies as your federal tax dependent

For a complete list of eligible expenses, visit www.irs.gov/pub/irs-pdf/p503.pdf.

*The IRS has not yet released the limits for 2026.

FSA Rules

YOU MUST ENROLL EACH YEAR TO PARTICIPATE.

Because FSAs can give you a significant tax advantage, they must be administered according to specific IRS rules:

Health Care FSA: Unused funds will **NOT** be returned to you or carried over to the following year.

Dependent Care FSA: Unused funds will **NOT** be returned to you or carried over to the following year.

The maximum contribution amount is established by the IRS and the City each year. See the plan document for details.

LIFE AND AD&D INSURANCE

Life insurance provides your named beneficiary(ies) with a benefit in the event of your death.

Accidental death and dismemberment (AD&D) insurance provides specified benefits to you in the event of a covered accidental bodily injury that directly causes dismemberment (i.e., the loss of a hand, foot or eye). In the event that your death occurs due to a covered accident, both the life and the AD&D benefit would be payable.

Basic Life/AD&D (City-paid)

This benefit is provided at **NO COST** to you through The Standard.

Benefit Amount	2x your base earnings up to \$500,000 (Class I) or \$400,000 (Class II)

Supplemental Life/AD&D (Employee-paid)

Supplemental life insurance provides an additional benefit, which is paid to your beneficiaries in addition to your basic life insurance benefit. If you want to increase your benefit after your initial enrollment period, you must complete an Evidence of Insurability (EOI) form. **Note:** Premiums are deducted post-tax (see page 8 for details). To cover your spouse and/or dependent children, you must first elect supplemental life insurance for yourself.

	Benefit	Benefit Reduces by
Employee	1x or 2x base annual earnings up to \$500,000	Age 65–69: 65% Age 70 or over: 50%
